VITO spotlights

VITO 100 SPOT 50° LV C

101305ws
LED
50°
Dimmable
Price €219.00 incl. VAT

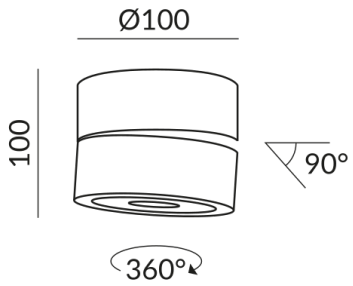
Angle
50°

Variant
VITO 100 SPOT 50° LV C

Mount Type
Deckenanbau (C)

Diameter
100mm

Body Color
painted white



Technical specifications

Body color
painted white

Primary connection voltage
230 Volt

Dimmable
Phasenabschnitt (C)

Input power
14 Watt

Light color
1800 K

LED luminous flux
1200 lm

Color rendering index
CRI 90

Safety class
1

Ingress protection
IP20

Weight
0.75 kg

Information on operating LED lights

Thank you for choosing our LED lights.
To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
