Universal (L,C)

### Input power

50 Watt

### Option

Optional Casambi

### Safety class

2

### Ingress protection

IP20

### Weight

1.05 kg

## Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before

installation. Incompatibility does not constitute a defect in the luminaire.

3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
