Keine Smart Home Anbindung

Light Color
2.700K

Technical specifications

120

100

Body color
matt brushed

Primary connection voltage
230 Volt

Dimmable
Phasenabschnitt (C)

Input power
15 Watt

Light color
2700 K

Option
Optional 3000k

Optional Dim2warm

Optional Casambi

LED luminous flux
1250 lm

Color rendering index
CRI 90

Safety class
1

Ingress protection
IP20

Weight
1.1 kg

Design
BRUCK Werksdesign

Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
