230 Volt

**Dimmable**  
Phasenabschnitt (C)

**Input power**  
18 Watt

**Light color**  
1800-3000 K

**LED luminous flux**  
1700 lm

**Color rendering index**  
CRI 93

**Safety class**  
1

**Ingress protection**  
IP20

**Weight**  
0.85 kg

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
