

EUCLID pendant lights

EUCLID 80° LV OE

130025ch
LED
80°
Dimmable
€409.00

Body Color
chrome

Systems
LV pendant for canopy system

Light Color
2.700K

Technical specifications

Body color
chrome

Dimmable
Dimmbar mit entsprechendem Betriebsgerät

Input power
12 Watt

Light color
2700 K

Option
Optional 3000k

Optional Dim2warm

LED luminous flux
1100 lm

Color rendering index
CRI 90

Safety class
3

Ingress protection
IP20

Weight
0.41 kg

Design
Dirk Wortmeyer

Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
