

HIGH-LINE power feeds

POWER FEED HLI

150514mc

LED

Price €44.90 incl. VAT

Variant

EINSPEISUNG HLI

Technical specifications

Body color

matt chrome-plated

Input power

400 Watt

Safety class

3

Ingress protection

IP20

for 4 - 6 mm² power feed
cable, 1 pair

Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
