CANOPY MULTI 210-8 AC

260000ws
LED
€199.00

This product will be released on 31 May 2026

Diameter
210mm
Mount Type
Deckenanbau (C)

Technical specifications

Body color
painted white

Primary connection voltage
230 Volt

Input power
50 Watt

Safety class
1

Ingress protection
IP20

Weight
0.98 kg

Design
BRUCK-Design

Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
