

# MICRO rails

## TRACK 300 MICRO

600003sw

LED

€59.90

Available, delivery time: 3-5 days

### Variant

SCHIENE 300 MICRO

### Length

300mm

## Technical specifications

### Body color

painted black

### Primary connection voltage

24 Volt

### Input power

100 Watt

### Safety class

3

### Ingress protection

IP20

### Weight

0.1 kg

### Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
