

MICRO rails

TRACK 2400 MICRO

600024sw

LED

€229.90

Available, delivery time: 3-5 days

Variant

SCHIENE 2400 MICRO

Length

2400mm

Technical specifications

Body color

painted black

Primary connection voltage

24 Volt

Input power

100 Watt

Safety class

3

Ingress protection

IP20

Weight

0.75 kg

Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
