CONNECTOR TRACK SPEZIAL MICRO,  
100W, PC3, black, for stable connection

600087sw

LED

€84.89

Available, delivery time: 3-5 days

## Body Color

painted black

## Variant

VERBINDER SCHIENE SPEZIAL MICRO, 100W, SK3, sw, für stabile Verbindung

## Technical specifications

### Body color

painted black

### Safety class

3

### Ingress protection

IP20

### Weight

0.01 kg

## Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
