

SWAP pendant lights

SWAP 50° MICRO

616045sg
LED
Dimmable
€299.00

This product will be released on 31 May 2026

Systems

MICRO 24V track

Body Color

outside black, inside gold

Other Properties

Silver reflector

Length

170mm

Angle

50°

Technical specifications

Body color

outside black, inside gold

Primary connection voltage

24 Volt

Dimmable

Bluetooth-Funk Dimmung

Input power

12 Watt

Light color

2700 K

Option

Optional 3000k

LED luminous flux

1200 lm

Color rendering index

CRI 90

Safety class

3

Ingress protection

IP20

Design

BRUCK-Design

Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
