

# ALL-IN power feeds

POWER FEED FLEX-END ALL-IN

700050mcgy

LED

€174.90

Available, delivery time: 3-5 days

**Body Color**

matt chrome-plated / painted

**Position of power feed**

At the end of track

**Type of power feed**

Sep. junction box down

**Smart Home**

Keine Smart Home Anbindung

## Technical specifications

**Body color**

matt chrome-plated / painted

**Input power**

1000 Watt

**Safety class**

1

**Ingress protection**

IP20

**Weight**

0.16 kg

**Design**

Dirk Wortmeyer

### Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
