

## EUCLID SPOT 80° ALL-IN

Discontinued, no longer in our catalogue. Available while stocks last.

710010sw

LED

80°

Dimmable

€408.46

Available, delivery time: 3-5 days

---

## Technical specifications

### Body color

Painted black

### Primary connection voltage

230 Volt

### Dimmable

Phasenabschnitt (C)

### Input power

15 Watt

### Light color

2700 K

### LED luminous flux

1200 lm

### Color rendering index

CRI 90

### Safety class

1

### Ingress protection

IP20

### Weight

0.36 kg

### Design

BRUCK-Design

### Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This

does not constitute a defect in the light.

2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
