Diffus

Technical specifications

Body color
matt chrome-plated / painted

Primary connection voltage
230 Volt

Dimmable
Phasenabschnitt (C)

Input power
10 Watt

Light color
2700 K

Option
Optional 3000K

LED luminous flux
1000 lm

Color rendering index
CRI 93

Safety class
1

Ingress protection
IP20

Weight
0.19 kg

Design
BRUCK-Design

Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
