Zigbee-Funk Dimmung

### Input power

16 Watt

### Light color

2700 K

### Option

Optional 3000k

Zigbee

### LED luminous flux

1500 lm

### Color rendering index

CRI 90

### Safety class

2

### Ingress protection

IP20

### Weight

0.26 kg

## Information on operating LED lights

Thank you for choosing our LED lights.

To ensure the best possible performance and longevity of your new lighting, please observe the following instructions:

1. When operating LED lights, visible, brief changes in light may occur due to voltage changes in the mains. This does not constitute a defect in the light.
2. For dimming LED lights. Not all LED lamps are compatible with all dimmers. Please check compatibility before installation. Incompatibility does not constitute a defect in the luminaire.
3. Flickering at low dimmer settings (from 50%): When using dimmers, slight flickering may occur at low settings. This is normal behaviour and does not constitute a defect in the luminaire.
