Mit der Platzierung unserer Essential-Produkte in Ihrem Showroom setzen Sie den Grundstein für eine umsatzstarke BRUCK-Ausstellung. Die Essential-Produkte stehen für langfristige und überdurchschnittlich hohe Umsätze. Sie bieten einen optimalen Überblick stellvertretend für alle BRUCK-Produkte und machen unsere Ansprüche an Design, Qualität, Funktionalität, Oberflächenverarbeitung und Lichttechnik für den Käufer am POS erlebbar. Passende Displaylösungen zu allen BRUCK-Essentials stehen ebenfalls zur Verfügung. Gerne unterstützen wir Sie bei der Planung einer erfolgreichen BRUCK-Ausstellung für Ihren Showroom.

By showcasing our Essential products in your showroom, you lay the foundation for a high-performing BRUCK exhibition. These Essential items represent long-term, above-average sales potential. They provide an ideal cross-section of the entire BRUCK product range and allow customers at the point of sale to truly experience our commitment to design, quality, functionality, surface finishing, and lighting technology. Matching display solutions for all BRUCK Essentials are also available. We are happy to support you in planning a successful BRUCK exhibition tailored to your showroom.
